Students planning to continue their studies at Memorial University beyond IEBP-G	The following guidelines will be taken into consideration as a gauge of readiness for undergraduate study (including the undergraduate exchange program) at Memorial University: Students who wish to proceed to undergraduate study in a future semester who take IEBP-G alongside one undergraduate course (aka: IEBP-G Level 1) must achieve an 85% or higher on their ESL final progress report as well as a B or higher in their undergraduate course. In addition, such students must submit a writing portfolio for review in order to exit the program at the end of the semester. Students who successfully complete IEBP-G Level 1 but who do not attain the benchmarks noted above may proceed to IEBP-G Level 2 in the subsequent semester. Students who wish to proceed to undergraduate study in a future semester who take IEBP-G alongside two undergraduate courses (aka: IEBP-G Level 2) must achieve a 75% or higher on their ESL final progress report as well as a B or higher in both of their undergraduate courses. In addition, such students must submit a writing portfolio for review in order to exit the program. Students in IEBP-G Level 2 who do not meet these benchmarks at the end of the semester may repeat IEBP-G Level 2 in the subsequent semester, if there is space available.
